

MEALTIME MISERIES - Course Supplies

Thank you for registering for Mealtimes Miseries. Due to the COVID-19 pandemic we have moved the course to an online format; however, shipping of materials used for the hands-on portions of the course are only available within the United States at this time. PowerPoint handouts and course reference materials will be downloadable for all participants.

The following are examples of materials that will be used for the hands-on portion of the course. These items may be available to you locally or through an online vendor such as Amazon. Please try to find something close to these.
